

RUTHVIK KARNE

Student at Anurag University

Phone @ ruthvikkarne11@gmail.com linkedin.com/in/karne-ruthvik Hyderabad, Telangana, India

SUMMARY

I am a passionate data science student focused on data analysis, user interface design, and user experience. I have gained skills in analyzing data to extract valuable insights and improve business processes. I am eager to apply my theoretical knowledge to practical settings through various projects

EDUCATION

Bachelor of Technology in Computer Science

Anurag University

08/2023 - 08/2027 Hyderabad, Telangana, India

EXPERIENCE

BCG Data Science Job Simulation on Forage - April 2025

BCG

04/2025 remote

Company Description

- Completed a customer churn analysis simulation for XYZ Analytics, demonstrating advanced data analytics skills, identifying essential client data and outlining a strategic investigation approach.
- Conducted efficient data analysis using Python, including Pandas and NumPy. Employed data visualization techniques for insightful trend interpretation.
- Completed the engineering and optimization of a random forest model, achieving an 85% accuracy rate in predicting customer churn.
- Completed a concise executive summary for the Associate Director, delivering actionable insights for informed decision-making based on the analysis.
